

# Logging into iamproperty CRM and Resetting Your CRM Password

This guide provides a straightforward process for logging into CRM and also how to reset your CRM password, ensuring that you can quickly regain access to your account if you forget your credentials.

Whether you're a new user or someone who has forgotten their password, this guide is designed to help you navigate the reset process with ease.

- 1 Navigate to <https://crm.iamproperty.com/User/Login>

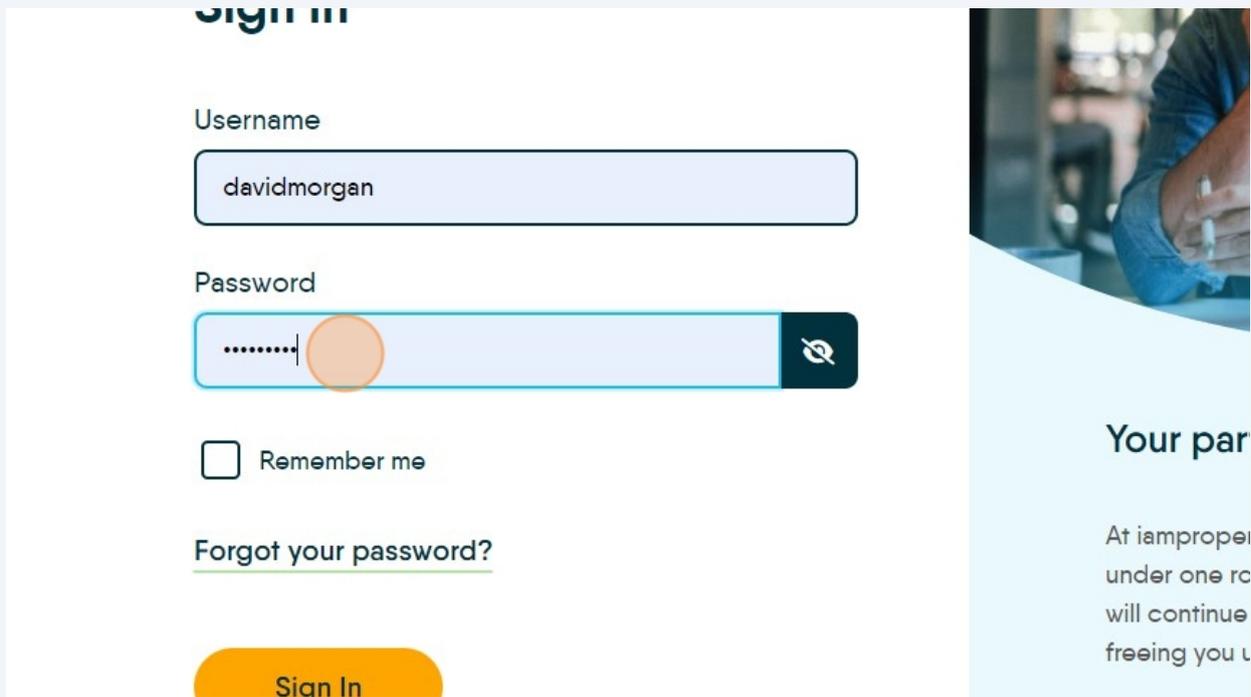

## Login to CRM

- 2 Click the "Username" field. Type your Username

A screenshot of the CRM login page. The page has a white background with a dark blue header. The main heading is "Sign in" in a bold, dark blue font. Below the heading are two input fields: "Username" and "Password". The "Username" field contains the text "davidmorgan" and is highlighted with a light blue border and a small orange circle. The "Password" field is empty and has a dark blue toggle icon on the right. Below the password field is a checkbox labeled "Remember me". On the right side of the form, there is a vertical image of a person's hands and a light blue banner with the text "Your par".

3

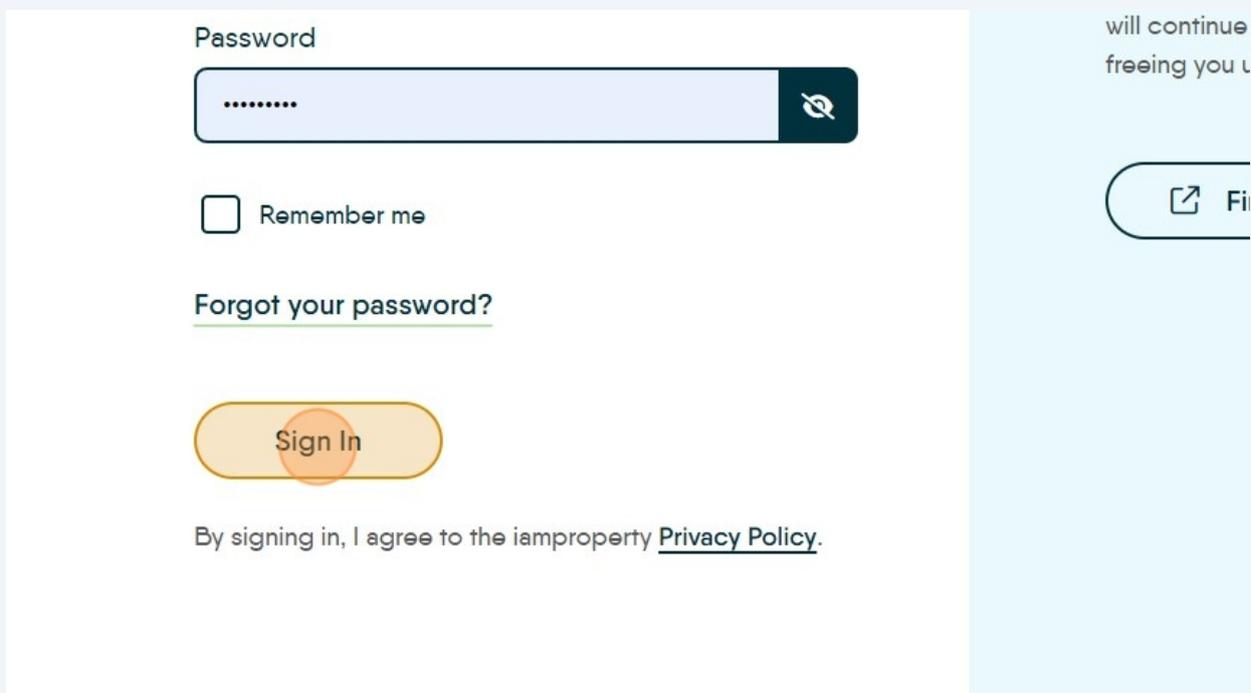

Click the "Password". Type your password in the same format as given, click on the 'eye' icon to view what you have typed.

The screenshot shows a sign-in form with the following elements: a "Username" field containing "davidmorgan", a "Password" field with a blue highlight and an eye icon, a "Remember me" checkbox, a "Forgot your password?" link, and a "Sign In" button. On the right, there is a partial view of a person's hands and a text snippet: "Your par", "At iampropert", "under one r", "will continue", "freeing you t".

4

Click "Sign In"

The screenshot shows the same sign-in form as above, but with the "Sign In" button highlighted in orange. The "Password" field is now empty. The "Remember me" checkbox and "Forgot your password?" link are still present. At the bottom, there is a text line: "By signing in, I agree to the iamproperty [Privacy Policy](#)". On the right, the text snippet continues: "will continue", "freeing you t", and a button with an external link icon and the text "Fi".

## Changing Password

Tip! You can change your password in 2 places, the login screen if you have forgotten your password and My Account, then Account Settings if the password needs to be changed for security purposes.

## Forgot Password

5 If you can't remember your Password.

In the Login screen. Click "Forgot your password?"

The screenshot shows a login interface. At the top, there is a partially visible input field. Below it is a 'Password' label followed by a password input field containing seven dots and a toggle icon. Underneath the password field is a checkbox labeled 'Remember me'. The link 'Forgot your password?' is highlighted with an orange circle and a green underline. Below this link is an orange 'Sign In' button. At the bottom, there is a line of text: 'By signing in, I agree to the iamproperty [Privacy Policy](#).' To the right of the login form, there is a light blue sidebar with the heading 'Your par' and some partially visible text: 'At iampropel under one rc will continue freeing you l'. At the bottom of the sidebar, there is a button with a share icon and the text 'Fi'.

6 Click the "Email" field.

Enter either the username OR email associated with your account.

We'll email you with instructions on how to reset your password.
